## President's Message

We're well into our 2007-2008 season and I'm happy to report that our committees are doing a great job. Our first reports are in and we're doing very well proportional to a chapter our size.

Steve Friedman has filled out the calendar with some great programs, many of which offer PDH credits.

Last month, Michael Ganz and Marvin Schechter of the Jericho based law firm of Turnstead & Schechter gave an informative presentation of the various methods of dispute resolution procedures. While it may not be the most pleasant topic in many people's minds, as was illustrated by our good turnout and the extensive Q&A session that evening, it is one on the forefront of many minds. Thank you, Michael and Marvin.

October's meeting was the first of our membership promotion nights. It was great that we had two new members join us. The society is sustained by its membership. We take very seriously the need to get more people involved and appreciate your support.

## CHAPTER MONTHLY MEETING

<b>DATE:</b>	Tuesday, November 13, 2007
<b>TIME:</b>	6:00 PM - Cocktails/Dinner 7:00 PM - Dinner Presentation 8:45 PM - Conclusion
<b>LOCATION:</b>	Westbury Manor South Side of Jericho Tpke. 25 Westbury, NY 11590
<b>FEES:</b>	
Members -	\$35.00
Guest -	\$40.00
Student -	\$15.00

*Reservations requested, but not required.  
Call (516) 333-7117*

We were also fortunate to host Spencer Morasch, Assistant Regional Vice Chair and Treasurer for Region 1. In addition to having this regional officer observe our meeting, he provided some useful feedback to help improve our chapter operations.

This month, we have Harvey Rubenstein of A.D.E. Systems presenting the fundamentals on fan selection and energy conservation. Attendees can receive 1 PDH credit. This is a great topic, especially for the younger engineers so please help promote the evening.

November's meeting is the first of our Research promotion nights. We will be acknowledging donors from the 2006-2007 year and present the importance that your continued donations make to ASHRAE research and its other programs.

Cont'd on Page 3

## President Message (Cont'd.)

In November, we will also be inviting students from the area to join us and learn more about ASHRAE. They are the future of the society and we should provide all the encouragement we can.

I thank all our volunteers and members for your dedication, hard work and contributions towards the advancement of our distinguished society. I look forward to seeing you at our next meeting.

*Peter Gerazounis, P.E.*  
*President - Long Island Chapter*

### Dinner Presentation

***“Fan Fundamentals, Selection  
And Energy Conservation”***

*Presented by  
Harvey Rubenstein  
A.D.E. Systems*

**Attendees  
Will Earn  
1 PDH!**

<b>DATE:</b>	<b>TUESDAY, NOVEMBER 13, 2007</b>		
<b>Time:</b>	6:00 PM – Cocktails and Hors D'oeuvres 7:00 PM – Dinner Presentation 8:45 PM – Conclusion	<b>Fee:</b>	\$ 35.00 Member \$ 40.00 Guest \$ 15.00 Student
<b>Location:</b>	<b>WESTBURY MANOR</b> (516) 333-7117 Jericho Tpke (South Side), 3/10 of mile east from Glen Cove Rd., Nassau County, NY. <b>Directions are posted at @ <a href="http://www.ashraeli.org">www.ashraeli.org</a>.</b>		
<b>Presentation:</b>	This month's presentation discusses the basics of fan selection. Aside from identifying the required air flow [CFM] and system static pressure [SP], other considerations should also be looked at. A typical check list may include; application, sound, physical size, fan location, energy consumption, available motors and fan bearing life. Understanding the Fan Laws, how and when to apply them will be discussed.  The use of Variable Frequency Drives for variable volume systems has become a common method of controlling fan speed. Fan/VFD considerations will be discussed.		
<b>About our Speaker:</b>	<b>Harvey Rubenstein</b> , from A.D.E. Systems, Inc. has 36 years of experience as a manufacturer's representative selling and specifying fans. For the last 9 years at A.D.E. Systems, Inc. for Greenheck line of products. Prior A.D.E. Systems, he represented New York Blower, Aerovent Fan Co., Champion Fan and Blower, and the Twin City Fan Co.		

CHAPTER MAY NOT ACT FOR SOCIETY

An International Organization

## Board of Governors Meeting Minutes

A meeting of the Board of Governor was held on Tuesday Oct 9th, 2007 at the Westbury Manor. Present at the meeting were Peter Gerazounis, Steven Friedman, Steve Giammona, John Nally, Rich Gerbe, Nancy Roman, Carolyn Arote and Andy Manos. WE had a special visitor Spencer Morasch from Region 1. The meeting was called into session at 5:10 by President Peter Gerazounis.

**Programs-** Steve Friedman has all of the dates filled with interesting topics, the only thing left to do is speak with SMACNA on what the joint meeting will discuss. He will be contacting Paul Parker and Bill Reichling to discuss possible topics for the meeting.

**Resource Promotion-** Steve Giammona stated that we are not close to goal, but we have the standard amount of money we would at this time.

**Webmaster-** Rich Gerbe has the website almost completely finished at this time. There are a few more options he is going to add for BOG members to be able to file paper work electronically within the Website, so that it is kept for "historian" purposes as well.

**Membership-** Carolyn Arote had very little new news to report. At this time most members are caught up on dues, and only suggested we keep a simple sign in sheet for meetings.

**Student Activities-** Brian Simkins Reported that Student Activities nights will be November and February. He has visited all local colleges/universities in the LI area and hopes to have some students come down to the next meeting.

**Chapter Technology Transfer-** Andy Manos reported he needs additional Committee members in order to accomplish his tasks for the year. He is going to try and recruit some new faces to committee level. He stated we get points for sending letters to local officials, and for getting them to attend our meetings. This is going to be the focus of his work.

**Carolyn Arote**  
**Chapter Secretary**

## Research Promotion

### November is Resource Promotion Night!

Recognition will be given to the previous year's donors.

Contributions can be mailed to:

Mr. Steven Giammona, P.E.  
 ASHRAE Research Promotion  
 c/o Cameron Engineering & Associates, LLP  
 100 Sunnyside Boulevard, Suite 100  
 Woodbury, NY 11797

**Steven Giammona, P.E.**  
*Research Promotion Chairman*

**Chapter Resource Promotion Goal  
 For 2007-2008 - \$12,900**

## Membership

Our October membership promotion night went very well. We have 2 new members...Robert Fuchs and Ralph Pico... who joined us for their first meeting and joined that night. We are still always looking for new faces at the meetings and enjoy seeing to regulars.

If there is anything we can do to help you stay interesting in the meetings please let us know at any time.

By next month expect to start getting phone calls or e-mails from me if you are behind on payments to society!!!

**Carolyn Arote**  
**Membership Chairman**

## Student Activities

**Attention Students:** ASHRAE meeting registration is now open. Visit ASHRAE in New York City this January to reach new heights in professional development, networking and HVAC&R technology. Remember student registration is free.

**Student Activities:** I am looking for places to visit and spread the word about ASHRAE. There are many great publications available to distribute and help grow our industry. Let me know if you have any science fairs or activities that we could present our material at. Here are some examples of brochures and program available.

- [ASHRAE Student Guide](#)
- [ASHRAE Careers Profiles in HVACR](#)
- [Find Your Dream Job in ASHRAE](#)
- [Heating, Ventilating, air Conditioning and Refrigeration Engineering: Turning Ideas Into Reality](#)
- [Engineering and You](#)
- [Math Counts](#)
- [JETS](#)

**Senior Undergraduate Grants:** The *ASHRAE Senior Undergraduate Project Grant Program* provides grants to engineering, technical and architectural schools worldwide with the goal of increasing student knowledge, learning and awareness of the HVAC&R industry through the design and construction of senior projects. Grants are to be used to fund equipment and supplies for senior projects and 2-year technical school projects that focus on ASHRAE-related topics. Grants may cover projects lasting from one academic term up to one year.

Learn More Here: <http://www.ashrae.org/students/page/743>

Please visit: <http://www.ashrae.org/students/> for more information on all the Student ASHRAE activities and opportunities.

**Brian Simkins**  
**Student Activities Committee**

## CTTC

### New York City to Host ASHRAE's 2008 Winter Meeting and the AHR Expo

The AHR Expo the world's largest HVAC&R exclusive event will be held at the Jacob Javits Convention Center in New York City on January 22-24, 2008. Along with the AHR Expo ASHRAE's Winter Meeting will also be held. The theme for this year's winter meeting technical program is **Reaching New Heights in Net-Zero Energy Design**, and will feature programs organized into the following proposed tracks:

- LEED/Sustainability
- Commissioning
- Dehumidification
- Controls

Drawing from the nation's largest concentration of HVAC&R contractors, engineers, distributors, wholesalers and manufacturers, the AHR Expo will offer thousands of industry professionals the opportunity to see hundreds of new products and technologies for the very first time. The Empire State region is both the biggest residential and commercial HVAC&R market in the United States and is currently experiencing a development boom rivaling that of the 1950's. With the nation's largest concentration of Fortune 100 Companies, New York will attract many new exhibitors and visitors who haven't attended the AHR Expo in recent years.

According to a recent study by The Freedonia Group, the demand for HVAC equipment is expected to grow to \$14.5 billion by 2009. This growth will be driven by the increase in non-residential construction and residential remodeling.

"We are delighted to be back in New York because it is a very strong marketplace for HVAC&R products," said Clay Stevens, President of International Exposition Company, which manages and produces the AHR Expo. "At this time, over 1,500 exhibitors have reserved space, including 300 international companies from 30 different countries. Due to this high demand so far before the Show, it now appears that IEC will expand the show to accommodate additional exhibitors."

Other special Show features include:

- Over 30 Technical Sessions and Short Courses presented by ASHRAE, many of which carry CEU's.
- Over two dozen Educational Sessions and Workshops presented by AHR Expo and its Endorsing Associations
- The New Product Technology Theaters
- The Building Automation & Control Showcase
- The Software Center
- NATE and CxA certification testing
- AHR Expo Innovation Award Presentation Ceremony

Further information can be found at [www.ashrae.org](http://www.ashrae.org) and [www.ahrexpo.com](http://www.ahrexpo.com).
